

S-L & ME

What I got out of my Civic Internship...

April 2020

At Project Dignity, besides the wide exposure to IT, I also learnt much about people who are differently abled.

RAYMOND TAN
InfoComm Technology student

I wanted to gain exposure on how businesses can help to solve social issues. I got that from my civic internship at Samsui Kitchen!

NG KAI QING
Business & Accountancy Student

Civic internship at Youth Corps S'pore broadened my perspectives and helped me to better realise my career aspirations.

NURUL ZULRIAH ZAN
Film & Media Studies Student

I learnt so much about cord blood donation and how it offers a lifeline for survival, while using my course knowledge and skills for a good cause.

JAKELYN YONG
Humanities & Social Sciences Student

At Dialogue in the Dark, I developed empathy, resilience, and good communication. All important skills, whether I work in a company or start my own business!

V C ENDRAAN
Engineering Student
