

The School of Health Science's Mobile Electronic Device Security Policy

The Terms and Conditions of Use Agreement (the "Agreement" or the "Terms and Conditions") are between the student and the School of Health Sciences (HS), Ngee Ann Polytechnic (NP).

1. I am aware that the use of a mobile electronic device for the Diploma in Health Sciences (Nursing) is a privilege and I am required to abide by NP IT Security Advice and the Singapore Nursing Board Code of Ethics and Professional Conduct. As a student nurse, I will safeguard the privacy and confidentiality of the patients at all times.
2. In using the mobile electronic device, I shall take all reasonable measures to safeguard against any potential abuse, misuse, malicious attacks or theft of information.

Undertaking to Safeguard Official Information

3. I understand and agree to safeguard official information in the mobile electronic device as all official information acquired by me in the course of my work in NP is classified and confidential in nature, and is not to be published or communicated by me to any other person in any form whatsoever.
4. I agree and understand that having any other person(s) access to any official information through the mobile electronic device shall seek approval from the School of Health Sciences.
5. I agree and understand that any breach or neglect of the above undertakings may render me liable to disciplinary measures, and/or to prosecution under the Singapore law.
6. By signing this agreement, it allows me to download applications from **NP Mobilelearn** store and the content is for my personal, non-commercial use and is non-transferable.
7. I agree that I will not allow others to use my student ID, password and/or account and I am solely responsible for maintaining the confidentiality and security of my account. I agree to notify NP/HS immediately of any unauthorized use of my password and/or account.
8. All software made available by NP/HS are protected by intellectual property laws and my use of them is governed by this Agreement.
9. All trademarks, service marks, trade names, logos, and other indicia of origin that appear on or in connection with the applications, I shall not copy, display or use any of these marks without prior written permission of NP/HS. All applications may be protected under patent law and may be the subject of issued patents and/or pending patent applications.
