*+ Gross monthly household per capita income is defined as the **total** gross monthly income of immediate and non-immediate family members over the total number of immediate and non-immediate family members. Gross income includes gross (i.e. including employee's CPF contributions) income contributions from self-employment, business or salaried employment (which includes basic salary, allowances, overtime pay, etc) as well as other sources of income (e.g. rent). If bonuses are declared it should be computed as one twelfth of the annual wage supplements and bonuses received in the last twelve months. The monthly financial support from divorced/separated parent or spouse such as alimony and contributions to support children/household should also be included. Payments in kind, reimbursement for transport and other expenses and National Service (NS) allowance earned by NS men are excluded.*
