NICF Infocomm Courses For Career Empowerment & Progression

Ngee Ann Polytechnic (NP) through its School of InfoComm Technology (ICT) is one of the four WDA appointed National CET Centres for the Infocomm sector to provide quality Infocomm courses accredited under the National Infocomm Competency Framework (NICF).

Our NP CET Centre with our experienced lecturers delivers a wide array of industry-relevant competency-based NICF courses with Workplace Skills Qualification (WSQ) for both aspiring and existing Infocomm professionals. These courses facilitate your skills development and career progression with attainment of valuable knowledge and attainment of nationally recognised certifications.

The course fees are heavily subsidised by the Government up to 70% of the course fees. In addition, companies sending employees for training enjoy absentee payroll funding to further defray their training costs. The NICF Infocomm courses empower the company Infocomm manpower capabilities and enhance its performance and productivity.

The NICF courses are in the areas of:

**Web Application Development**
- NICF Web Production (90hrs, Tue/Thu 6:30-9:30pm)
