

Darkness to Light: Unlocking Team Potential in the Dark

Darkness to Light: Unlocking Team Potential in the Dark is an immersive 8-hour workshop for professionals ready to challenge assumptions, break down barriers, and elevate team performance. With activities held in complete darkness at Dialogue in the Dark Singapore, this immersive experience strips away visual hierarchy to reveal the true dynamics of trust, communication, and collaboration.

Participants gain insights into team roles and dynamics, and leave with practical strategies to improve collaboration, adaptability, and performance in the workplace.

LEARNING OUTCOMES

By the end of this workshop, participants will:

- Strengthen team communication through clarity and active listening
- Understand and apply team roles and group dynamics
- Build trust and empathy via shared challenges
- Develop an action plan to enhance team cohesion and performance

EMPATHY | ENGAGEMENT | EFFECTIVENESS

"We've learned to listen more to the team so that everyone can speak up and contribute. To build a high performing team, it's clear that trust amongst members is imperative."
