

Darkness to Light: Illuminating the Leader Within

Darkness to Light: Illuminating the Leader Within is an immersive 8-hour workshop designed for C-suites, directors, and managers.

Through experiential activities held in complete darkness at Dialogue in the Dark Singapore, this immersive experience pushes participants to confront biases, make decisions with limited information, and guide others through ambiguity. Participants will learn strategies to build trust and credibility, fostering a culture of collaboration within the team.

COURSE OBJECTIVES

By the end of this workshop, participants will:

- Gain awareness of the key drivers that build trust within teams
- Learn actionable strategies to enhance leadership credibility and reliability
- Discover techniques to foster stronger connections and collaboration
- Develop a practical action plan for implementing effective trust-building strategies

AWARENESS | AGILITY | ALIGNMENT

"We've learned to listen more to the team so that everyone can speak up and contribute. To build a high performing team, it's clear that trust amongst members is imperative."

- Participant from DiDsg Corporate Workshop
