

Module Exemption Under Recognition of Prior Learning Framework

Course	Recognition of Prior Learning (Training Attended / Qualification Attained)	Module Exempted
Diploma in Engineering (Aerospace)- (DEAS)	RSAF Air Force Engineers (M) Certificate (Aerosystem & Structures, Rotary Wing)	Aerospace Fundamentals Aerospace Maintenance Practices
Diploma in Engineering (Aerospace)- (DEAS)	RSAF Air Force Engineers (M) Certificate (Communication, Navigation & Electronic Warfare)	Aerospace Fundamentals Avionics Theory & Systems
Diploma in Engineering (Aerospace)- (DEAS)	RSAF Air Force Engineers (M) Certificate (Electrical & Instrumentation)	Aerospace Fundamentals
Diploma in Engineering (Aerospace)- (DEAS)	RSAF Air Force Engineers (M) Certificate (Electro Armament)	Aerospace Fundamentals
Diploma in Engineering (Aerospace)- (DEAS)	RSAF Air Force Engineers (M) Certificate (Fire Control)	Aerospace Fundamentals
Diploma in Engineering (Aerospace)- (DEAS)	RSAF Air Force Engineers (M) Certificate (Propulsion)	Aerospace Fundamentals Aircraft Propulsion Systems
Diploma in Engineering (Aerospace)- (DEAS)	RSAF Air Force Engineers (M) Certificate (Aerosystem & Structures, Fixed Wing formerly known as Airframe Fixed Wing)	Aerospace Fundamentals Aerospace Maintenance Practices
Diploma in Engineering (Marine)- (DEMOT)	Higher NITEC (full time or part time) in Offshore & Marine Engineering Design (IT71) by ITE	Marine Design
