support students in
financial need and
student development
programmes*

*Programmes like
Global
Entrepreneurial
Internship
Programme,
Overseas Merit
Fellowship and CCA
Leaders Expedition
have deepened
students' learning*

Singapore, 15 October 2020 — Ngee Ann Polytechnic (NP) has received a donation of \$10 million today from its longtime donor, Ngee Ann Kongsi, in the presence of Ms Sun Xueling, Minister of State in the Ministry of Education and the Ministry of Social and Family Development, and Ngee Ann Kongsi's President Mr Jamie Teo.

Out of the sum donated, \$2 million will go to an education fund that will benefit NP students, such as awarding scholarships, bursaries and student aid grants, and supporting student development programmes.

The remaining fund of \$8 million will be placed in an endowment fund. The income raised from the endowment fund will be used to fund educational programmes.

“The Ngee Ann Kongsi has a long history of promoting education in Singapore through its philanthropic acts. We are deeply appreciative of being one of the benefactors of their generosity. With their longstanding support, we are able to do so much more for our students' education. This includes investing in quality programmes that stretch our students' potential and add value to their learning journey with us,” said Mr Clarence Ti, Principal of NP.

Among the student talent and development programmes funded by Ngee Ann Kongsi include NP's Global Entrepreneurial Internship Programme (GEIP), the Overseas Merit Fellowship and the CCA Leaders Expedition. These programmes have enabled NP students to challenge themselves to achieve excellence, develop leadership traits and acquire global awareness.
