

About Ngee Ann Polytechnic

Ngee Ann Polytechnic started in 1963 and is today one of Singapore's leading institutions of higher learning with over 13,000 enrolled students and an alumni network of more than 160,000. The polytechnic offers close to 40 full-time courses through its 9 academic schools in Business & Accountancy, Design & Environment, Engineering, Film & Media Studies, Health Sciences, Humanities & Social Sciences, Infocomm Technology, Life Sciences & Chemical Technology, and Interdisciplinary Studies. It seeks to develop students with a passion for learning, values for life, and competencies to thrive in a global workplace. The polytechnic also supports Continuing Education and Training (CET) through its CET Academy, which offers a wide range of part-time programmes and short courses. It works closely with industry partners to curate programmes to develop talent pipeline for the industries and help adult learners stay agile in today's rapidly changing global economy.
