

FEES

Tuition & Other Fees for Full-Time Diploma Programme

From Academic Year 2014/2015 (“AY 2014/2015”), the Polytechnic has adopted a cohort-based fee structure. This means that a student’s fees will remain constant for the entire duration of the course. This fee structure will provide greater certainty regarding tuition fees and help students to plan for the financing of their studies.

Since AY2016, the tuition fee for new intakes of International Students will be subject to GST. The Government will only continue to absorb the GST chargeable on tuition fees by Singapore Citizen and Permanent Resident students. New students enrolling into NP will be informed of the annual tuition fees for their respective courses prior to enrolment.

Tuition fee is payable each semester.

Other fees include Examination Fee, Miscellaneous Fee, Insurance Fee, Sports Fee and Students’ Union Fee. These fees are payable in the first semester of each academic year.

Notes:

* Fees for AY2017/2018 pending confirmation by Ministry of Education

& Examination Fee is applicable to Permanent Residents and International Students only.

Fees include GST.

^ GST on Tuition Fee and Examination Fee are subsidised by the Government of Singapore for Singapore Citizen and Permanent Resident students who are eligible and have opted in for the tuition grant scheme.

@ HNS Insurance is applicable to International Students only.

Additional Fees Payable (Where Applicable)

The following fees apply to some full-time students:

- **Mobile Computing-Rental Fee (only for students granted rental of notebooks/PDAs):**
\$60 (inclusive of GST) per semester.
- **Enhanced Hospital needed & Surgical Insurance Fee (only for Health Sciences – Nursing students):**
\$58 (inclusive of GST) per year.

Those who wish to apply for financial assistance schemes should apply at the beginning of the academic year (for Mendaki Tuition Fee Subsidy, PSEA Scheme, CPF Approved Education Scheme and the Tuition Fee Loan Scheme) or at the beginning of the semester. Students are liable to have their names struck off the Register if fees are not paid. Those with financial difficulties should see the Student Counsellors at the Student Services Office for advice.

Other fees are not covered by MENDAKI Tuition Fee Subsidy, CPF approved Education Scheme, and the DBS Tuition Fee Loan Scheme.

Transfer Fee

Students seeking transfers between courses have to submit their applications to the Academic Affairs Office before the commencement of the academic year. Transfers will not be considered at other times during the academic year unless under exceptional circumstances. Once the transfer is approved, a transfer fee of \$15 will have to be paid.

Note:

All fees quoted above are estimated figures and are subject to changes.

Withdrawal and Refund Guidelines

	Tuition Fees	Other Fees
Withdrawal before commencement of term	100% refund less \$50 administrative charge*	Refund of all other fees paid (except application / amendment fee)
Withdrawal within 1st week of term on valid grounds**	75% refund	Refund of examination, sports and miscellaneous fees only
Withdrawal after 1st week of term	No refund	No refund

Notes:

Students who wish to withdraw from their course must complete a prescribed withdrawal form and submit it to the Academic Affairs Office.

* Administrative charge of \$50 is only applicable to new students.

** Refunds will only be made if the reasons for withdrawal are on valid grounds as follows:

- to study in another approved institution in Singapore; or on medical grounds

Remarks:

1. The Ngee Ann Polytechnic Council reserves the right to alter or vary the refund guidelines above.
2. To ensure that refunds are duly made to students who subsequently decide to withdraw from the polytechnic, withdrawal forms must be received by the Academic Affairs Office before the commencement of the semester or within one week of the commencement of the semester to qualify for any refund.
3. No refund will be given for Mobile Computing Rental Fee paid for the semester should students withdraw or discontinue with the rental scheme for any reason after the commencement of the semester.

Tuition Grant

A full-time diploma student's education at the polytechnic is highly subsidised by the Government of Singapore. The Government, through the Ministry of Education (MOE), provides students with tuition grants to assist them in paying the full tuition fees. The high cost of providing a technological education to students is reflected in two parts:

- a. Tuition fees payable by students
- b. Tuition grants provided by MOE

The amount of the Tuition Grant in AY2016/2017 is \$16,700 per student per year.

Eligibility

Singapore Citizens can apply for the tuition grants by completing the online declaration form when enrolling with the polytechnic. Only one application is required throughout the whole course of study.

A student is eligible for tuition grants for a maximum of 10 semesters for his/her studies at the polytechnic. This includes all the tuition grants he/she received previously if he/she has ever been enrolled in a tertiary institution from Academic Year 2007/2008 onwards, and did not graduate with a diploma or higher qualification. If the student is a direct-entry student to the second year of polytechnic studies, the number of semesters that he/she is eligible for the tuition grant will be a maximum of eight semesters.

Students (regardless of nationality) who already hold a diploma or higher qualification will be eligible to receive tuition grant if they wish to pursue a second diploma course, so long as they did not attain their diploma or higher qualification through subsidy by MOE or sponsorship by the Government of Singapore.

Permanent residents and foreigners are required to execute a deed with the Government of Singapore, in the presence of two sureties and MOE staff. The sureties act as guarantors and can be of any nationality, above 21 years of age and are not bankrupts. Parents of students can act as sureties.

Under the terms of the tuition grant deed, students who are permanent residents or foreigners and have accepted the tuition grant are required to work in Singapore for three years upon completion of their courses.

Rejection of Grant

Permanent residents and foreigners who do not wish to work in Singapore after the completion of the course may opt to reject the grant. In this case, they will have to pay the full fees plus the prevailing GST.

Notes:

1. Tuition grant amounts are subject to changes.
2. Students who are holding Government of Singapore sponsorships/bursaries (for example, those under the Ngee Ann SAF Scheme) need not sign the deeds.
3. Permanent residents/foreign students who have withdrawn from their course of study before signing the deeds with MOE are required to pay the full tuition fee plus the prevailing GST.
4. Foreigners who have rejected the tuition grant at the point of admission or who withdraw from the Tuition Grant Scheme during the course of study are not eligible to apply for Tuition Fee Loan schemes.

Tuition & Other Fees for Polytechnic Foundation Programme (PFP)

Tuition fee is payable each semester.

Other fees include Application Fee, Examination Fee, Miscellaneous Fee, Insurance Fee, Sports Fee and Students' Union Fee. These fees are payable in the first semester only.

FINANCIAL ASSISTANCE

NP is fully committed to helping students cope with the educational expenses through various financial assistance schemes. These are funded, in part, by generous donations from individual organisations and foundations.

Bursaries & Grants

Various bursaries and grants are available to NP students whose family's monthly income per household member is up to \$1,900. A financial aid package of \$2,900 and \$2,150 per year is available for every Singaporean student whose family's monthly income per household member is below \$950 and \$1,200 respectively. This is made possible by the CDC/CCC Polytechnic Bursary and MOE Bursary Schemes, donations from philanthropic partners and a top-up of up to \$900 or \$650 from the NP Student Aid Fund. The NP Student Aid Fund is established by NP and supported by many donors.

PFP Bursary

The PFP bursary of \$870 is available to Singaporean students with a gross monthly household income of not more than \$2,500 or monthly income per household member of \$625 and below.

Study Loans & Other Schemes

Needy students can also apply for financial help via financial assistance schemes like the Post Secondary Education Account (PSEA), CPF Education Scheme, Tertiary Tuition Fee Subsidy for Malay Students administered by Yayasan MENDAKI, the Tuition Fee Loan and the Government Study Loan.

IDA NEU PC PLUS Programme

As e-learning is an important part of NP's curriculum, Singaporean or Permanent Resident students who do not have an existing broadband Internet access from their homes may apply for IDA's Neu PC Plus Programme with IDA for subsidy towards the purchase of a notebook and internet.

Mobile eLearning Loan & Rental

As part of mobile e-learning, notebook computer is an integral part of students' learning in NP. Students doing the Diploma in Nursing may also need an iPod Touch. NP has a notebook/iPod Touch interest-free loan scheme for students with household income of

\$2,000 and below and a notebook rental scheme for students with household income of \$1,500 and below.

For full details of NP's scholarships and bursaries, grants, loan eligibility and applications, please log on to www.np.edu.sg/ss.

SCHOLARSHIPS

NP offers attractive scholarships and awards for students who have excelled and demonstrated strong leadership potential or artistic and sporting talent.

NP Scholarship

This prestigious bond-free scholarship is offered to Singapore Citizens and Singapore Permanent Residents students with outstanding academic results and excellent CCA track record. This scholarship covers tuition fee, a book allowance and a one-time notebook allowance (if awarded in freshmen year). NP scholars are automatically accepted into The Christeara Programme, a comprehensive three-year talent development programme that is designed to stretch the potential of participating students.

NP Engineering Scholarship

This bond-free scholarship is for NP's School of Engineering Singapore Citizens and Singapore Permanent Residents students. It will cover tuition fee, a book allowance and a one-time notebook allowance (if awarded in freshmen year). NP Engineering Scholars also enjoy entry into The Christeara Programme and take up a customised talent development programme that will include short stints with research establishments and study trips with top universities! They will also be well-prepared for university with our customised Diploma Plus Programme.

NP Arts Award & NP Sports Award

Students in their second and third year who have excelled in the field of arts or sports are eligible to apply for these annual awards worth \$1,800 each.

NP Faculty Merit Award

NP offers a special Merit Award for students with good academic results and CCA achievements. It comes with a one-time award of \$2,000. Merit Award recipients also enjoy entry into the The Christeara Programme.

Polytechnic Foundation Programme (PFP) Study Award

Since the first cohort of PFP students entered NP in 2013, this award has been given to students who have outstanding N' Level results and excellent CCA performance with a one-time cash award of \$330.

External Scholarships

Sponsored by companies and organisations, these scholarships include the Ngee Ann Kongsi Scholarships, The Home Merit Award and The Home Study Award by Ministry of

Home Affairs, and course-specific scholarships including the Building and Construction Authority (BCA)-Industry Built Environment Diploma Scholarship / Sponsorship from BCA, ECDA Training Award by Early Childhood Development Agency, Association of Singapore Marine Industries Scholarships, Keppel Offshore & Marine Scholarships. Some external scholarships may come with a bond.
