

A Slice Of S-L

APRIL 2019

OSL Head, Joyce Tang, receiving the Gold Award on behalf of NP from Mayor Teo Ho Pin.

We got a GOLD!

Thanks to all your efforts, NP just got the Outstanding School Partner Award (Gold) from North West CDC, an affirmation of what we have accomplished as an institution via our Service-Learning modules, NP ComServe and Student Club Activities.

NP-NW CDC MOU

In May 2018, NP and NW CDC signed an MOU that allows staff and students to tap into the WeCare Fund for S-L or ComServe projects.

\$100,000 per year is available from 2018 – 2020

Capped at \$10,000 per project

From Jan 2018 to date, we've done more than 15 Service-Learning and community service projects in NW CDC, impacting over 2,000 residents.

Here's a snapshot of our NW CDC Projects ...

Service-Learning Projects

HS students had real-world experience when they interacted with over 120 seniors from 3 eldercare centres. They obtained the seniors' health history and also conducted basic health checks, for their Gerontology & Community Nursing module.

HS

ICT students utilised their IT knowledge to help some 130 seniors get up to speed on mobile apps. They conducted Social Media, Cashless Payment and Photography Workshops for the seniors, under their module, Fundamentals For IT Professionals II.

ICT

HMS Psychology Studies students tapped into concepts and tools from their Project Management module to organise an event to foster bonding between ex-offenders, their family members and the community.

HMS

LSCT's Landscape Design & Horticulture students dug into their Horticulture & Turf Management module content in order to teach some 50 rental block residents how to pot and plant.

LSCT

Community Service Projects

FIN colleagues' ComServe programme at Ghim Moh, spread out over 2 days, saw almost 50 elderly residents there being engaged in batik painting, Bingo, and a sing-a-long session.

FIN

Environmental Rangers Club conducted Hydroponics & Food Composting Workshops for more than 40 residents, as part of NW CDC's Clean & Green Singapore District Carnival.

SDO

Get funding for your Service-Learning, ComServe or student club projects! Contact OSL at ext 6524 for more info.
