

What's Happening @ NP Incubator?

NP Incubator Events and Activities on December 2019

Entrepreneurs-In-Residence (EIRs) and Business Mentors (BMs) @ NP Incubator

EIRs are avid NP alumni entrepreneurs appointed by NP Incubator to assist in the strategic directions and enhancing our startup ecosystem. In addition, we match each incubatee with a business mentor with the relevant domain expertise or business networks. With steadfastness and passion, the EIRs and BMs have played a significant role in providing valuable insights to NP Incubator and incubatees, to grow and succeed

As the year 2019 is coming to a close, we would like to take this opportunity to express our heartfelt gratitude to our EIRs and BMs for helping to groom our next generation of budding entrepreneurs. Together we would accomplish much more in 2020! THANK YOU!

About NP Incubator

NP supports Innovation & Entrepreneurship. NP Incubator provides campus entrepreneurial community for startups founded by NP students or alumni. It has physical facilities such as office space, shared facilities and equipment and support programmes such as networking, mentorship and workshops. Since inception, more than 30 startups have been nurtured and graduated with sustainable businesses. It has helped match more than 90 interns to startups and helped startups raise more than S\$4 million in financing.
