

What's Happening @ NP Incubator?

NP Incubator Events and Activities on February 2020

Marketing through Search Engine Platform

NP Incubator had conducted the last of the series of Incubator Development Workshops on Search Engine Marketing. We had more than 30 Startup Co-founders, Student Entrepreneurs and NP Staff learning alongside with one other.

One-to-one Professional Clinics on Legal Matters

Seeking legal advice can be expensive, especially for startups that are bootstrapping. Over the recent weeks, Incubator had connected 7 pipeline and current incubatees to corporate lawyer for an hour of one-to-one clinic session to address their legal issues at hand.

About NP Incubator

NP supports Innovation & Entrepreneurship. NP Incubator provides campus entrepreneurial community for startups founded by NP students or alumni. It has physical facilities such as office space, shared facilities and equipment and support programmes such as networking, mentorship and workshops. Since inception, more than 30 startups have been nurtured and graduated with sustainable businesses. It has helped match more than 90 interns to startups and helped startups raise more than S\$4 million in financing.

If you have a **business deck** and would like to know how NP Incubator could help to support your startup business, please leave your contact details by submitting through the QR code or link below:
