

What's Happening @ NP Incubator?

NP Incubator Events and Activities on March 2021

Learning journeys with Bowen Secondary School and St Gabriel's Secondary School

As part of their Advanced Elective Modules (AEM) for E-Business Dynamic and Entrepreneurship, conducted by the School of Business & Accountancy, students from Bowen Secondary School and St Gabriel's Secondary School visited AGILE. Learning journeys are just one way in which NP encourages and exposes our youth to innovation and entrepreneurship programmes. Held on the 24th and 25th of March, the students

were introduced by The Sandbox mentors to various initiatives and grants for NP students and the many proud success stories of alumni.

Startup founders of AllforU, a club and events sponsorship management platform for students, currently incubated in AGILE in NP, also shared their startup journey, alongside industry tips and advice. The student entrepreneurs of Canvas Yoghurt at Hangout@UOB and Whattea at Blk 27, also encouraged them with first-hand accounts of how they started their business despite COVID-19 disruptions. The learning journeys wrapped up with active discussions in UNICORN at AGILE on ways to make a business out of the student's hobbies during the Q&A session.
