

What's Happening @ NP Incubator?

NP Incubator Events and Activities on March 2020

One-to-one Clinics on Social Media and Search Engine Marketing

Following the Incubator Development Workshops on Social Media and Search Engine Marketing, 10 sessions of one-to-one clinics were conducted. During the sessions, the trainer had addressed all the co-founders' questions by providing practical strategies through demonstration and hands-on activities.

“The trainer had provided detailed steps to achieve the outcome.”

“The solutions given by the trainer are useful and good.”

NP Startups x COVID-19

NP Incubator had conducted a live streaming for webinar on “Government and Community Measures & Support to overcome COVID-19 for businesses” by SG Tech. Through the session, co-founders had learnt measures from Singapore Budget 2020 that could support their business to tide through the COVID-19 pandemic. 加油!

About NP Incubator

NP supports Innovation & Entrepreneurship. NP Incubator provides campus entrepreneurial community for startups founded by NP students or alumni. It has physical facilities such as office space, shared facilities and equipment and support programmes such as networking, mentorship and workshops. Since inception, more than 30 startups have been nurtured and graduated with sustainable businesses. It has helped match more than 90 interns to startups and helped startups raise more than S\$4 million in financing.

If you have a **business deck** and would like to know how NP Incubator could help to support your startup business, please leave your contact details by submitting through the QR code or link below:
