

What's Happening @ NP Incubator?

NP Incubator Events and Activities on November 2019

Singapore Week of Innovation and TeCHnology (SWITCH) 2019

For the past three years, NP Incubator has been showcasing our services alongside 3 to 4 NP startups at SWITCH. From these exhibitions, the startups have established their brands with the leading tech platform, increased exposure of their offerings, generated network of potential business partners and investors for their ventures. Year End Networking Event and Dinner

On 28 Nov 2019, NP Incubator had our year end get-together session over good food and games. The event was well attended by our existing and graduated incubatees and Entrepreneurs in Residence (EIRs). It was filled with warmth, joy and laughter reflecting our strong community spirit as we renewed old ties and forged new ones.

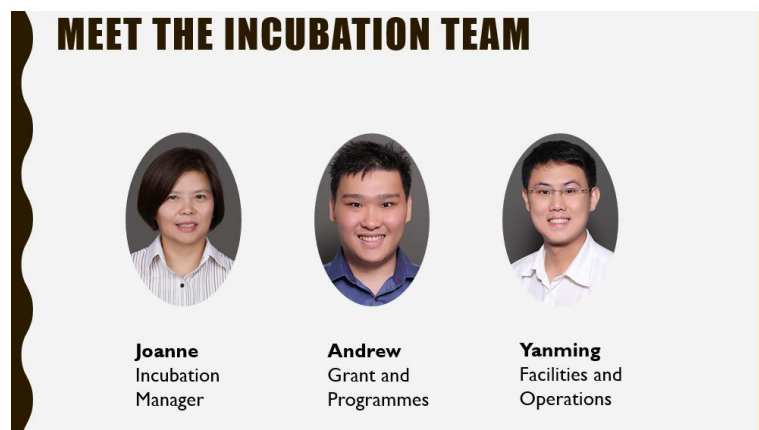

We would like to thank our Principal, Clarence Ti, Director, Patrice Choong and Entrepreneurs in Residence, Desmond, Stanley and Darran for taking time off their busy schedule to join us and be part of the community.

About NP Incubator

NP supports Innovation & Entrepreneurship. NP Incubator provides campus entrepreneurial community for startups founded by NP students or alumni. It has physical facilities such as office space, shared facilities and equipment and support programmes such as networking, mentorship and workshops. Since inception, more than 30 startups have been nurtured and graduated with sustainable businesses. It has helped match more than 90 interns to startups and helped startups raise more than S\$4 million in financing.
