

What's Happening @ NP Incubator?

NP Incubator Events and Activities on October 2019

Incubator Overseas Market Access (OMA) Programme 2019 – Jakarta

The OMA Programme was set up to equip NP startups in the growth stage, to scale their products and services overseas. This October, NP Incubator brought a total of 24 Founders/key employees from 12 startups to Jakarta to understand Indonesia startup ecosystem and build connections to expand their market to Indonesia. This trip included participation at TechnAsia Exhibition and visits to Bank, Venture Capital Firm and Co-working space. Participants have provided us feedbacks that the OMA Jakarta trip has provided them with insights to Indonesia's Market. Some have developed new businesses and teams in Jakarta now.

Build your Business without Burnout

On 22 Oct 2019, Founder and CEO of High Vibe (Safe Space App), Antoinette had conducted a workshop on Build Business without Burnout for TSB staff and NP incubatees. Through answering the questionnaires, it had helped one to increase self-awareness on level of Burnout and strategies were learnt on building physical & emotional resilience. Post-workshop survey had shown that 83% of the participants felt more empowered to handle stress. Thank you, Safe Space!

About NP Incubator

NP supports Innovation & Entrepreneurship. NP Incubator provides campus entrepreneurial community for startups founded by NP students or alumni. It has physical facilities such as office space, shared facilities and equipment and support programmes such as networking, mentorship and workshops. Since inception, more than 30 startups have been nurtured and graduated with sustainable businesses. It has helped match more than 90 interns to startups and helped startups raise more than S\$4 million in financing.

If you have a **business deck** and would like to know how NP Incubator could help to support your startup business, please leave your contact details by submitting through the QR code or link below:
