Search articles by keywords

The screenshot shows the Ovid search interface. At the top, the Ovid logo is on the left, and a navigation bar contains 'Search', 'Journals', 'Multimedia', 'My Workspace', 'EBP Tools', and 'Mobile'. Below this is a 'Search History (0)' link. The main search area is titled 'Basic Search' and includes links for 'Find Citation', 'Search', and 'Multi-Field Search'. It shows '2 Resources selected' and a list of journals. A search input field contains the text 'emancipatory nursing' and is highlighted with a red box. A yellow callout box labeled 'Step 1: Enter keywords' points to this field. To the right of the input field is a blue 'Search' button, also highlighted with a red box and a yellow callout box labeled 'Step 3: Click on the Search button'. Below the search field is a 'Limits' section with several checkboxes: 'Articles with Abstracts', 'PsycARTICLES', 'Daily Update', 'Original Articles', 'Include Multimedia', 'Include Related Terms', and 'Ovid Full Text Available'. The 'Ovid Full Text Available' checkbox is checked and highlighted with a red box, with a yellow callout box labeled 'Step 2: Check the Ovid Full Text Available box to search open access articles' pointing to it. There are also 'Additional Limits' and 'Edit Limits' buttons at the bottom of the limits section.
